The image displays two sequential screenshots of a mobile application interface for booking an appointment.

Left Screenshot: The screen is titled "Book Appointment". It features a "Services Variant" dropdown menu currently showing "V6 spine and back - 18 Minute(s)". A yellow circle highlights the dropdown arrow. Below this is a "Select Facility" section with a button labeled "Any". A "Booking Notes" section is present with a text area and a character count of 250. At the bottom, a "Services Variant" modal is open, listing three options: "V6 spine and back - 18 Minute(s)", "V6 spine and back - 36 Minute(s)" (highlighted with a yellow circle), and "V6 spine and back - 75 Minute(s)".

Right Screenshot: This screen shows the selected service details. The "Services Variant" dropdown now displays "V6 spine and back - 36 Minute(s)". The price is shown as "\$75.00" in orange, with "Duration: 36 min" below it. To the right, it says "Earn 75 points". A large blue "Next" button is at the bottom, highlighted with a yellow circle.
